

Strandvägen/pontonerna

Welcome to Ports of Stockholm! Please do not hesitate to contact us if you have any questions or special requirements regarding your quay-berth.

Mooring

Ports of Stockholm provides linesmen services at fixed rates.

Fresh water

Fresh water can be ordered via your agent when pre-registering your visit. The capacity is approximately 2 m³ per hour.

Port dues

Information about charges for mooring, waste management, linesmen, water and more can be obtained from your agent or the Ports of Stockholm website.

Strandvägen

The Strandvägen quay extends from the Djurgården bridge in the east to Nybroplan in the west. From Strandvägen you have close, easy access to Djurgården island – home of the Vasa Museum, Nordiska museet (Nordic cultural history) and Skansen open-air museum – as well as the shopping and entertainments of central Stockholm.

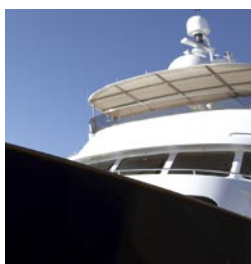

There is an archipelago centre on Strandvägen that acts partly as a tourist office, taxi-boat centre and archipelago travel agency. There is also a café, lounge and conference facility.

Position

N 59 19.84
